Rule 195-10-.02. Preventive Medicine Residency Capitation Funding

- (1) For the annual provision of capitation funds to designated Preventive Medicine Residency Programs, the Board requires the following conditions be met:
 - (a) Notification of the total number of residents to be trained during an academic year;
 - (b) Maintenance of approval of the Program by the Accreditation Council for Graduate Medical Education;
 - (c) Compliance with all Board guidelines, rules, and regulations;
 - (d) Submission of all reports including, but not limited to, a graduate practice location report, and such other documents as may be reasonably required by the Board and/or outlined in the GBPW's Report Guidelines;
 1. Practice Location of Graduates. The medical school and/or Preventive Medicine Residency Program shall annually submit a report to the Board indicating the practice location of each graduate to assist the Board in evaluating the effectiveness of the Program in meeting the need for physicians in Georgia.
 - (i) Graduate practice location reports shall be due no later than September 1st of each year and include the practice location (city/state), additional training being pursued (e.g., fellowship), military service obligation, other state or federal service obligation (e.g., State Medical Education Board, National Health Services Corp.), or other activity of those residents completing their medical education and training at the medical school or Preventive Medicine Residency Program.
 - (ii) Medical Schools/Preventive Medicine Residency Programs shall be expected to monitor, update, and report to the Board, any changes in the practice status of graduates for a period of five years post-graduation.
 - (e) Development and maintenance of procedures to encourage residents to establish practices in areas of Georgia where unmet need exists for preventive medicine physicians; and collaboration to maximize state resources, where appropriate, to carry out said activities.
- (2) Payment Process. Based on the Resident Monthly Updates submitted by the Preventive Medicine Residency Program, the Board shall authorize disbursement of preventive medicine residency capitation funding in quarterly installments.
 - (a) The Program shall report on the Resident Monthly Updates, resident's name, social security number, anticipated date of graduation, post-graduate year, and indication of resident participation during report period. Such reports shall be submitted no later than the tenth (10) day of the following month.
 - (b) Capitation payment shall not be made for any one resident in excess of thirty-six months.
