Dear Applicant:

Enclosed are application materials for the Georgia Board for Physician Workforce Physicians for Rural Areas Assistance Program. The attached Applicant Information Bulletin gives a description of the program for Fiscal Year which July 1st through June 30th.

The purpose of this program is to grant service cancelable loans of up to $25,000 to physicians to repay outstanding medical education debt in return for medical practice in underserved rural areas in Georgia. Contracts are awarded for one year and are renewable for a maximum of four years.

The Board will consider data published in its most recent Physician Profile in determining the relative need for physicians in specific rural areas. The Board will then establish a ranking of locations in the applicant pool. Selection priority will be given to those applicants who are physicians specializing in and actively practicing specialties as approved by the Board at their Annual meeting. For FY2016, the board will consider the following criteria, in rank order: Health Outcomes, Debt, Total Compensation, Specialty*, Practice Type, Live in County of Practice, Other Loan Repayment, County Rank, and Previous Awards.

*Concerning Specialty: the board approved all Primary Care/Core Specialties (Family Medicine, Internal Medicine, Pediatrics, OB/GYN, Emergency Medicine and General Surgery) to be ranked highest. All other specialties will be considered, but will be ranked lower than those previously listed.

Complete the attached PRAA Application and return it with appropriate attachments by January 1st. All application materials, including completed Lender Disclosure Forms, must be received by this date. Applications will be presented to the Board at the next meeting after the application deadline. All applicants will be notified of award status within 10 days of the meeting.

Please contact our office at (404) 232-7972 or gbpw@dch.ga.gov if you have questions.

Sincerely,

LaSharn Hughes, MBA — Executive Director

Enclosures
This document describes the Physicians for Rural Areas Assistance Program. Program participants will be bound by contract to adhere to the provisions outlined in this document.

Keep this Bulletin for future reference.
PURPOSE OF THE PROGRAM

The purpose of the Physicians for Rural Areas Assistance Program is to increase access to high quality medical care for medically underserved, rural communities in Georgia.

PROGRAM REQUIREMENTS AND CONTRACTUAL OBLIGATIONS

The Physicians for Rural Areas Assistance Program pays medical education student loan debt for physicians who agree to practice medicine full time in a rural community in Georgia. The program provides up to $25,000 a year in student loan repayment in return for a 12-month commitment to practice in a rural community. Recipients may receive a maximum of four loans and a maximum total student loan repayment of $100,000.

The Physicians for Rural Areas Assistance Contract requires a commitment to practice medicine for a minimum of 40 clinical hours per week in a Georgia County with a population of 35,000 or less people according to the 2010 Census Count of the United States Bureau of the Census. The practice time requirement can be split between two or more counties, provided that none of the practice location counties exceeds the 35,000 population limit.

The physician may own the practice or the physician may be employed by a hospital, group medical practice, community health center, or other health care organization. There is no requirement that the practice be a not for profit organization. However, the physician must participate in the Medicaid program, must agree to accept new patients insured by Medicaid, and actively treat Medicaid patients.

Funding is based upon the amount of funds appropriated to the Georgia Board for Physician Workforce by the Georgia General Assembly. Maximum funding for 2016-2016 contracts will be up to $25,000 each. Funds are disbursed in a lump sum directly to the recipient's lenders.

The Board will consider data published in its most recent Physician Profile in determining the relative need for physicians in specific rural areas. The Board will then establish a ranking of locations in the applicant pool. Selection priority will be given to those applicants who are physicians specializing in and actively practicing specialties as approved by the Board at their Annual meeting. For FY2016, the board will consider the following criteria, in rank order: Health Outcomes, Debt, Total Compensation, Specialty*, Practice Type, Live in County of Practice, Other Loan Repayment, County Rank, and Previous Awards.

*Concerning Specialty: the board approved all Primary Care/Core Specialties (Family Medicine, Internal Medicine, Pediatrics, OB/GYN, Emergency Medicine and General Surgery) to be ranked highest. All other specialties will be considered, but will be ranked lower than those previously listed.
All recipients are required to sign a contract with the Georgia Board for Physician Workforce agreeing to the terms and conditions upon which awards are granted. This contract establishes the amount of the award, the location of service repayment, the contract date (also the beginning and end date of service), as well as the terms and conditions of program participation, obligated service, and the conditions of default and cash repayment.
